CREATIVE PRODUCER - GAMING

Alexandr Shulyakovskiy

Creative Producer with 9 years in gaming, leading marketing, social, livestream, community, and performance content. I combine creative taste with budget discipline, vendor leadership, and data-informed iteration.

al.shulyakovskiy@gmail.com | +370 624 11430 | Vilnius, Lithuania
alexshu.com | LinkedIn

300+ videos delivered annually	**$340K** annual savings from restructuring	**70%** production cost reduction	**2x** UA video CTR improvement

Franchise / IP Experience: **The Walking Dead | UFC | Dune | Sony Pictures | World of Tanks Blitz**

What I Bring

Production Leadership
Marketing, broadcast, social, and performance pipelines from brief to delivery.

Operational Efficiency
Vendor restructuring, in-house livestream, budget planning, and resource allocation.

Performance Iteration
UA creative testing across Facebook, Google, Remerge, and Moloco.

Franchise Collaboration
Partner-ready work across The Walking Dead, UFC, Dune, Sony Pictures, and sports talent.

Experience & Toolkit

Creative Producer, Wargaming.net

Sep 2018 - Apr 2026

- Owned and scaled production pipelines for marketing, community, broadcast, and performance content, delivering 300+ videos and 40 broadcasts annually.
- Rebuilt vendor operations and launched an in-house livestream setup, saving $340,000 annually and 196 staff hours per year.
- Reduced asset production time by 20% through workflow and review pipeline optimization.
- Owned project budgets and resource allocation across cross-functional teams, forecasting costs and driving financial efficiency.
- Produced marketing and in-game assets for collaborations with The Walking Dead, UFC, Dune, and Sony Pictures.
- Introduced GenAI-assisted workflows, reducing production costs by 70%.
- Owned onboarding and professional development for new team members, accelerating growth into mid-level producer roles.

Social Media Marketing Manager, Wargaming.net

Feb 2017 - Sep 2018

- Owned and scaled an influencer network generating 20M+ weekly views with zero paid budget.
- Led UGC video production for the official YouTube channel at $300 per video, achieving a 23x cost reduction versus standard production rates.
